

The International Vernon Lee Society

Mission and goals of the association (1/2)

- 1. The *IVLS* aims to bring senior and junior researchers interested in the life and works of Vernon Lee and her circle;
- 2. The *IVLS* aims to promote and develop this research in higher education in France and abroad.

Mission and goals of the association (2/2)

- 3. The *IVLS* aims to encourage and foster interdisciplinary international collaboration so as to improve contemporary reception of Vernon Lee and her work.
- 4. The *IVLS* aims to publish and to promote the results of Vernon Lee researchers (books, articles, symposia, conferences, workshops, study days, lectures, journals, proceedings, dissertations, documentaries, films, artistic adaptations...)
